🚌 OC Transpo Travel Tools & Trip Planning

🔔 Alerts & Notifications

- **My Alerts:** Get SMS/email notifications about detours, cancellations, and service changes.
- Sign up to be the first informed about important transit updates.

🗺️ Trip Planning Tools

1. Travel Planner (Web App)

- Provides **customized transit info** quickly:
  - Trip plan (best route options)
  - Route schedules (bus/train times for a selected day)
  - Stop schedule (all routes serving a stop)
  - Next departures at your stop

2. Transit Mobile App (iOS & Android)

- Free app with **real-time data**
- Features:
  - Plan trips across OC Transpo & STO
  - Track buses & O-Train arrivals
  - Get notifications for service alerts
  - Royale subscription unlocks extra features

3. Text & Phone Services

- **Text 560560:** Send stop number or Transitway Station letters → receive next 3 departure times
- **Call 613-560-1000:** Hear next 2–3 departures for a stop

🚐 Para Transpo Travel Tools

- **Text 57272 (5PARA):**
  - Check estimated arrival of your vehicle

    - Cancel upcoming trips
    - Ask service questions
- **My Para Transpo (Web App):**
    - Book trips (next day or 7 days ahead)
    - Cancel or manage trips
    - Track rides in real-time on a map with ETA countdown

🌐 Social Media Support

- **X/Bluesky:**
    - @OC_TranspoHelps (X)
    - @helps.octranspo.com (Bluesky)
- Get live service updates, detour info, and customer support from trained representatives.

🆔 Stop Numbers

- Each bus stop has a **4-digit number**
- Can be used to:
    - Plan trips
    - Receive next departure info via text or phone

✅ Example Use Case

Scenario:

- Rider wants next bus arrival at stop 2345:
    1. Text **2345** to 560560 → receives next 3 bus times
    2. Track same bus on **Transit app** for real-time location

✈️ Ottawa International Airport (YOW)

📍 Overview

- Main airport serving the **Ottawa–Gatineau region**
- Located **~10 km south of downtown Ottawa**
- Official address: *1000 Airport Parkway Private*

🚌 Transit Access

- Served by OC Transpo routes:
  - **Route 4**
  - **Route 98**
- Connected to O-Train via:
  - **Line 4 (Airport Link)** → Airport Station

🚆 Getting There (O-Train Option)

1. Take **Line 1 (Confederation Line)**
2. Transfer to **Line 2 (Trillium Line)**
3. At South Keys → take **Line 4**
4. Arrive directly at the airport terminal

🗺️ Trip Planning

- You can:
  - Plan a trip **to the airport**
  - Plan a trip **from the airport**
- Uses OC Transpo's **Travel Planner tool**

🆕 Updates

- "**New Ways to Bus**" service changes may affect routes
- Always check updates before traveling

🏗️ Airport Station Features

- Direct connection between train and terminal
- Virtual 360° tour available
- Station layout map available

✅ Example

Scenario: Student going to the airport from downtown

- Uses Line 1 → Line 2 → Line 4

Result:
✔ Arrives directly inside airport terminal
✔ No need for taxi or car
✔ Smooth transfer between train lines

✈️ Airport Station (Line 4 – O-Train)

📍 Location & Role

- Located at Ottawa International Airport
- **Terminus (final stop)** of Line 4 (Airport Link)
- Provides **direct connection between train and airport terminal**

🚆 Train Service

- **Line 4 → South Keys**
  - At South Keys:
    - Transfer to Line 2 → connects to Line 1 (downtown)

🚌 Bus Connections

- Route **105**:
  - Airport ↔ Hurdman / St-Laurent / Rideau

🏗️ Station Design

- Elevated station near airport departure roadway
- Key design features:
  - Entrance directly connected to terminal
  - Platform aligned with **Level 3 of the airport**
- Built for **smooth, fast transfers** between plane and train

---

🎫 Fares & Access

- Ticket machines (with video chat support)
- Fare gates at entrance
- Fare-paid zone for easier transfers

🧭 Navigation & Information

- Clear signage and wayfinding
- Digital screens showing:
    - Train arrival times
    - Bus departures
- Free info phones for assistance

♿ Accessibility

- Fully accessible station
- Includes:
    - Audio & visual announcements
    - Tactile walking surfaces
    - Braille signage

🔒 Safety & Security

- Emergency phones
- Video surveillance
- Platform edge safety strips
- Secure waiting areas (Transecure)

🧊 Comfort & Amenities

- Heated waiting areas
- Indoor connection to terminal

📍 Nearby Places

- Ottawa International Airport
- EY Centre
- Nearby communities:
    - Barrhaven
    - Hunt Club South
    - Uplands

✅ Example Trip

Scenario: Going from the airport to downtown Ottawa

1. Take **Line 4** → South Keys
2. Transfer to **Line 2**
3. Transfer to **Line 1** → downtown

Result:
✔ Fast, no traffic delays
✔ Easy transfers
✔ Direct airport access
